Mrs. White's first newspaper work was reporting a suffrage convention, going with Lucy Stone, Mrs. Howe and others to Vermont, for the Post. She was one of the founders of the New England women's press associations, its first president, an office which she held at the time of her death, being elected again in 1907 and re-elected in 1908; one of the founders and an early president of the Daughters of Vermont, twice president of the Fortnightly study club of Dedham, and one of the group of Massachusetts women who attended the meeting in New York been arrested charged with causing the called by Sorosis in 1889 to discuss a general federation of women's clubs. Rheumatism Recipe.

Awell-known authority on Rheumatism gives the following valuable, though simple and harmless, prescription, which

anyone can easily prepare at home: Dandelion, one-half Fluid Extract ounce; Compound Kargon, one ounce; Compound Syrup Sarsaparilla, three

Mix by shaking well in a bottle and take a teaspoonful after each meal and at bedtime.

He states that the ingredients can be obtained from any good prescription pharmacy at small cost, and, being of vegetable extraction, are harmless to

This pleasant mixture, if taken regularly for a few days, is said to overcome almost any case of Rheumatism. The pain and swelling, if any, diminishes with each dose, until permanent results are obtained, and without injuring the stomach. While there are many so-called Rheumatism remedies, patent medicines, etc., some of which do give relief, few really give permanent results, and the above will, no doubt, be greatly appreciated by

many sufferers here at this time. Inquiry at the drug stores of this neighborhood elicits the information that these drugs are harmless and can be bought separately, or the druggists here will mix the prescription for our readers if asked to.
